DEPUTIES' MEETING

Monday, 18 March 1957

PRESENT: Mr. Dulles, Gen. Cabell, Mr. Wisner, Col. White,  
Messrs. Sheldon, Kirkpatrick, [redacted]  
[redacted] Messrs. Kent and [redacted]

Mr. Dulles:

b) Stated that in view of the present situation in the Middle East and the inadvisability of his making a trip [redacted] at the present time he has decided to forego the Southern trip he had planned commencing March 30.

c) Noted that on Saturday he had had a telephone call from Senator Symington concerning the revised intelligence estimates on the Soviet Bison aircraft. He stated that he was preparing a letter to Symington in which he desired to give as full information as possible on a non-classified basis and asked that Messrs. Kent, Sheldon and [redacted] get together with him later in the day to review this letter.

d) Requested [redacted] to send a cable to our various field stations where Vice President Nixon has visited to find out who of our people have been in touch with the Vice President and a report of what has been said in any such contacts.

e) Discussed a meeting he had in Mr. Herter's office on Saturday at which Gen. Cutler and Reuben Robertson were present for the purpose of discussing NSC 5412. Mr. Dulles read aloud the memorandum for the record which he had dictated subsequent to this meeting and noted that he wanted us to dispatch as quickly as possible our replies on the Killian Committee report. He asked Mr. Kirkpatrick to pursue this and gave Mr. Kirkpatrick the memorandum for record after he had read it.

General Cabell:

25X1      Mentioned that he had received another letter from  
25X1      [redacted] who had previously been  
25X1      recommended by General Bedell Smith and considered for a position  
25X1      here. At the time he was originally considered we did not have  
25X1      a suitable opening and General Cabell wondered if perhaps there  
25X1      were not now an opening available. [redacted] stated he knew  
25X1      [redacted] well and considered him an excellent man. It was  
25X1      decided that he and Gen. Cabell will discuss the possibility of  
25X1      [redacted] being employed on [redacted] staff. The  
25X1      possibility was also considered that [redacted] might be a good  
25X1      candidate to head up [redacted] in the event [redacted] retired.

Mr. Wisner:

25X1      Stated he was sending up to DCI's office a State Department  
25X1      guidance paper on Indonesia, parts of which disturbed him  
25X1      considerably. DCI noted that he would be looking for it and would  
25X1      read it carefully.

Mr. Kirkpatrick:

25X1      Advised that Dr. Killian will be in town Thursday, 21 March,  
25X1      and wishes to go into the Bison aircraft situation thoroughly and  
25X1      would also like to have a refresher briefing on the estimating  
25X1      procedures. Mr. Kirkpatrick noted that arrangements to brief  
25X1      Dr. Killian on these matters had been set up for Thursday afternoon.
